Ministry of Health & Family Welfare
Government of India

Reduce the risk of Coronavirus infection

Follow these important precautions

1

Avoid travel if you are suffering from fever and cough

2

Wash your hands frequently with soap and water

3

Share your travel history with your health worker (ASHA/ ANM)

If you have cough, fever or difficulty in breathing, contact a doctor immediately

Stay protected!

Stay safe from Coronavirus!

If you have returned from **Wuhan** China after January 15, then get yourself tested for 2019-nCov. To know about the centres for testing, call the Ministry of Health and Family Welfare Helpline

If you have returned from China in the last 15 days or have been in contact with any person affected by Coronavirus, then limit your contact with others and use a separate room for sleeping

If you develop fever, cough and difficulty in breathing within 28 days of return from China, immediately call the Ministry of Health and Family Welfare Helpline
